(Release No. 34-57640; File No. SR-NFA-2008-01)

April 9, 2008

Self-Regulatory Organizations; National Futures Association; Notice of Filing and Immediate Effectiveness of Proposed Amendments to the Interpretive Notice Regarding Compliance Rule 2-9: FCM and IB Anti-Money Laundering Program

Pursuant to Section 19(b)(7) of the Securities Exchange Act of 1934 (“Exchange Act”)¹, and Rule 19b-7 under the Exchange Act², notice is hereby given that on March 17, 2008, National Futures Association (“NFA”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change described in Items I, II, and III below, which Items have been substantially prepared by NFA. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons. NFA also has filed the proposed rule change with the Commodity Futures Trading Commission (“CFTC”).

NFA, on December 5, 2007, submitted proposed rule changes to the CFTC for approval. The CFTC approved the proposed rule changes on January 15, 2008. On March 17, 2008, NFA requested that the CFTC make a determination that review of a technical amendment to the approved rule changes (correcting a Federal Register notice citation) is not necessary. On March 28, 2008, the CFTC notified the NFA that the CFTC has determined not to review the technical amendment for approval.³

² 17 CFR 240.19b-7.

³ See letter from Barbara S. Gold, Acting Deputy Director, CFTC to Thomas W. Sexton, III, Esq., General Counsel, NFA dated March 28, 2008.

The proposed rule changes approved by the CFTC on January 15, 2008, were previously filed with the SEC in File No. SR-NFA-2007-06. That filing is being withdrawn by NFA and this filing, which includes both the rule changes approved by the CFTC and the technical amendment, is being filed in its place.

I. Self-Regulatory Organization's Description of the Proposed Rule Change

Over the last several months, the Financial Crimes Enforcement Network ("FinCEN") has taken a number of actions that impact the content of NFA's AML Interpretive Notice. These actions include:

- Adopting a final rule under the Bank Secrecy Act ("BSA") as amended by Section 312 of the USA Patriot Act to require Futures Commission Merchants ("FCMs") and Introducing Brokers ("IBs")⁴ to apply enhanced due diligence measures to correspondent accounts maintained for certain foreign banks. This rule will become effective in two parts. Beginning on February 5, 2008, the rule applies to accounts established from that date forward. On May 5, 2008, the rule will apply to all existing accounts established prior to February 5, 2008.⁵
- Issuing guidance clarifying that in a give-up arrangement the clearing FCM, and not the executing FCM, is required to apply its CIP to the customer.⁶

⁴ An IB that limits its activities to soliciting and accepting orders for the purchase or sale of commodity futures contracts is not required to comply with the due diligence provisions of the correspondent account rule.

⁶ FinCEN Guidance on Application of the Customer Identification Program Rule to Future Commission Merchants Operating as Executing and Clearing Brokers in Give-Up Arrangements, FIN-2007-G001 (Apr. 20, 2007), available at

- Issuing guidance clarifying that, upon request, FCMs and IBs are required to provide appropriate law enforcement and regulatory agencies with any supporting documentation related to a Suspicious Activity Report filed with FinCEN.⁷

The amendments to NFA's AML Interpretive Notice incorporate the requirements of FinCEN's final rule under the BSA as amended by Section 312 of the USA Patriot Act and the additional guidance issued by FinCEN.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

NFA has prepared statements concerning the purpose of, and basis for, the proposed rule change, burdens on competition, and comments received from members, participants, and others. The text of these statements may be examined at the places specified in Item IV below. These statements are set forth in Sections A, B, and C below.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Section 15A(k) of the Exchange Act⁸ makes NFA a national securities association for the limited purpose of regulating the activities of NFA members ("Members") who are registered as brokers or dealers in security futures products under Section 15(b)(11) of the

Exchange Act.⁹ The amendments to the interpretive notice apply to all Members, including those who are registered as security futures brokers or dealers under Section 15(b)(11).

The amendments to NFA's AML Interpretive Notice incorporate the requirements that are imposed by FinCEN's final rule under the BSA as amended by Section 312 of the USA Patriot Act and the additional guidance issued by FinCEN.

2. Statutory Basis

The rule change is authorized by, and consistent with, Section 15A(k) of the Exchange Act. This Section requires NFA to have rules that are designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest in connection with security futures products. The proposed rule change accomplishes this by requiring that Members comply with applicable AML requirements and providing guidance on how to achieve such compliance.

B. Self-Regulatory Organization's Statement on Burden on Competition

The rule change will not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act and the CEA. Any burdens imposed by the rule change are already required under Federal laws or regulations.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

NFA did not publish the rule change to the membership for comment. NFA did not receive comment letters concerning the rule change.
